## **Gossan Receives a New Offer for the Sale of Its Equity Interest in The Claims Network Inc.**

February 6, 2012 – **Gossan Resources Limited** (GSS-TSX.V & Frankfurt/Freiverkehr & Xetra – WKN 904435) has received a new offer, in the form of a definitive agreement, for the sale of its entire equity interest in The Claims Network Inc. (TCN) for a gross sale price of \$1.5 million. The transaction, which is expected to close in early March, is subject to a first right of refusal by existing TCN shareholders and the approval of the TSX Venture Exchange, if necessary. In certain circumstances a break fee of \$100,000 may be payable. In addition, subject to a sale, a restricted cash escrow of \$200,000 may be established pertaining to specific contingencies. No assurance can be provided that the transaction will close.

TCN is a web-based enterprise engaged in providing the property and casualty insurance industry with on-site claims reporting of losses, contents loss valuations, and content claims software.

On October 4, 2011, TCN paid a dividend of \$115,030 to Gossan, as allowed under the terms of the prior offer (NR-11-04 dated September 23, 2011).

Gossan Resources Limited is engaged in mineral exploration and development in Manitoba and northwestern Ontario. It has a well-diversified portfolio of properties hosting gold, platinum group and base metals, as well as the specialty and minor metals, vanadium, titanium, tantalum, lithium, and chromium. The Company also has a large deposit of magnesium-rich dolomite, the world-wide rights to the Zuliani magnesium production process, and a silica frac sand deposit. Gossan trades on the TSX Venture Exchange and has 33,090,400 common shares outstanding.
